

OUR OWN CODE OF ETHICS

My commitments as a member of Eclosio

1.

I respect others.

I value other people's opinions, experiences, strengths, competencies, and input contributions.

2.

Humanity and trust.

I listen to others expressing their feelings and I am supportive when they need it.

3.

Self-criticism, inter-learning, capacity for change.

I learn as much as I give teaching, embracing new ideas, embodying the changes I like to see around me.

4.

Practices of Eclosio' values.

My actions are based on: respect, quality of work, responsibility, dialogue, critical thinking and creativity, independence, commitment and coherence.

5.

Cooperation and partnership.

In a group, we are stronger; alone, we go faster; together, we go further.

6.

Interdependence and respect for the environment.

I reduce as much as possible the negative effects of my actions on the environment by adopting at my level good practices to avoid waste or other negative impacts.

7.

NO! to discrimination, violence, exploitation.

I reject and denounce any physical, sexual or psychological abuse or mistreatment of a person towards another person, any discrimination and any behaviour that violates human dignity.

8.

Commitment and personal fulfilment.

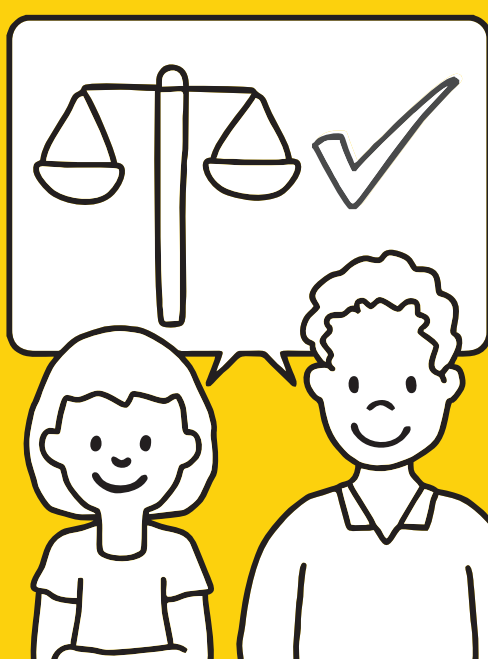

I contribute to a work environment where everyone can express himself-herself and fulfil himself-herself to his-her job.

9.

Equity and integrity.

I act with honesty and transparency, without prejudice, avoid conflict of interest and condemn act of abuse, fraud, corruption.

COLLABORATION WITH PRIVATE FUNDERS

Eclosio wishes to collaborate with private companies and foundations which are sharing the same vision and values, which are respecting fundamental rights of human beings and workers, which are transparent about the source and the use of their funds, and which take steps to minimize their negative impact on the environment.
